ALMA MATER

Down in the valley of Connecticut
There is a school most fine
We have some teams and some good cheers
And we have some dear old times.
So let us sing our song
To the school we love.
And let us sing our praises
To make our spirit strong.

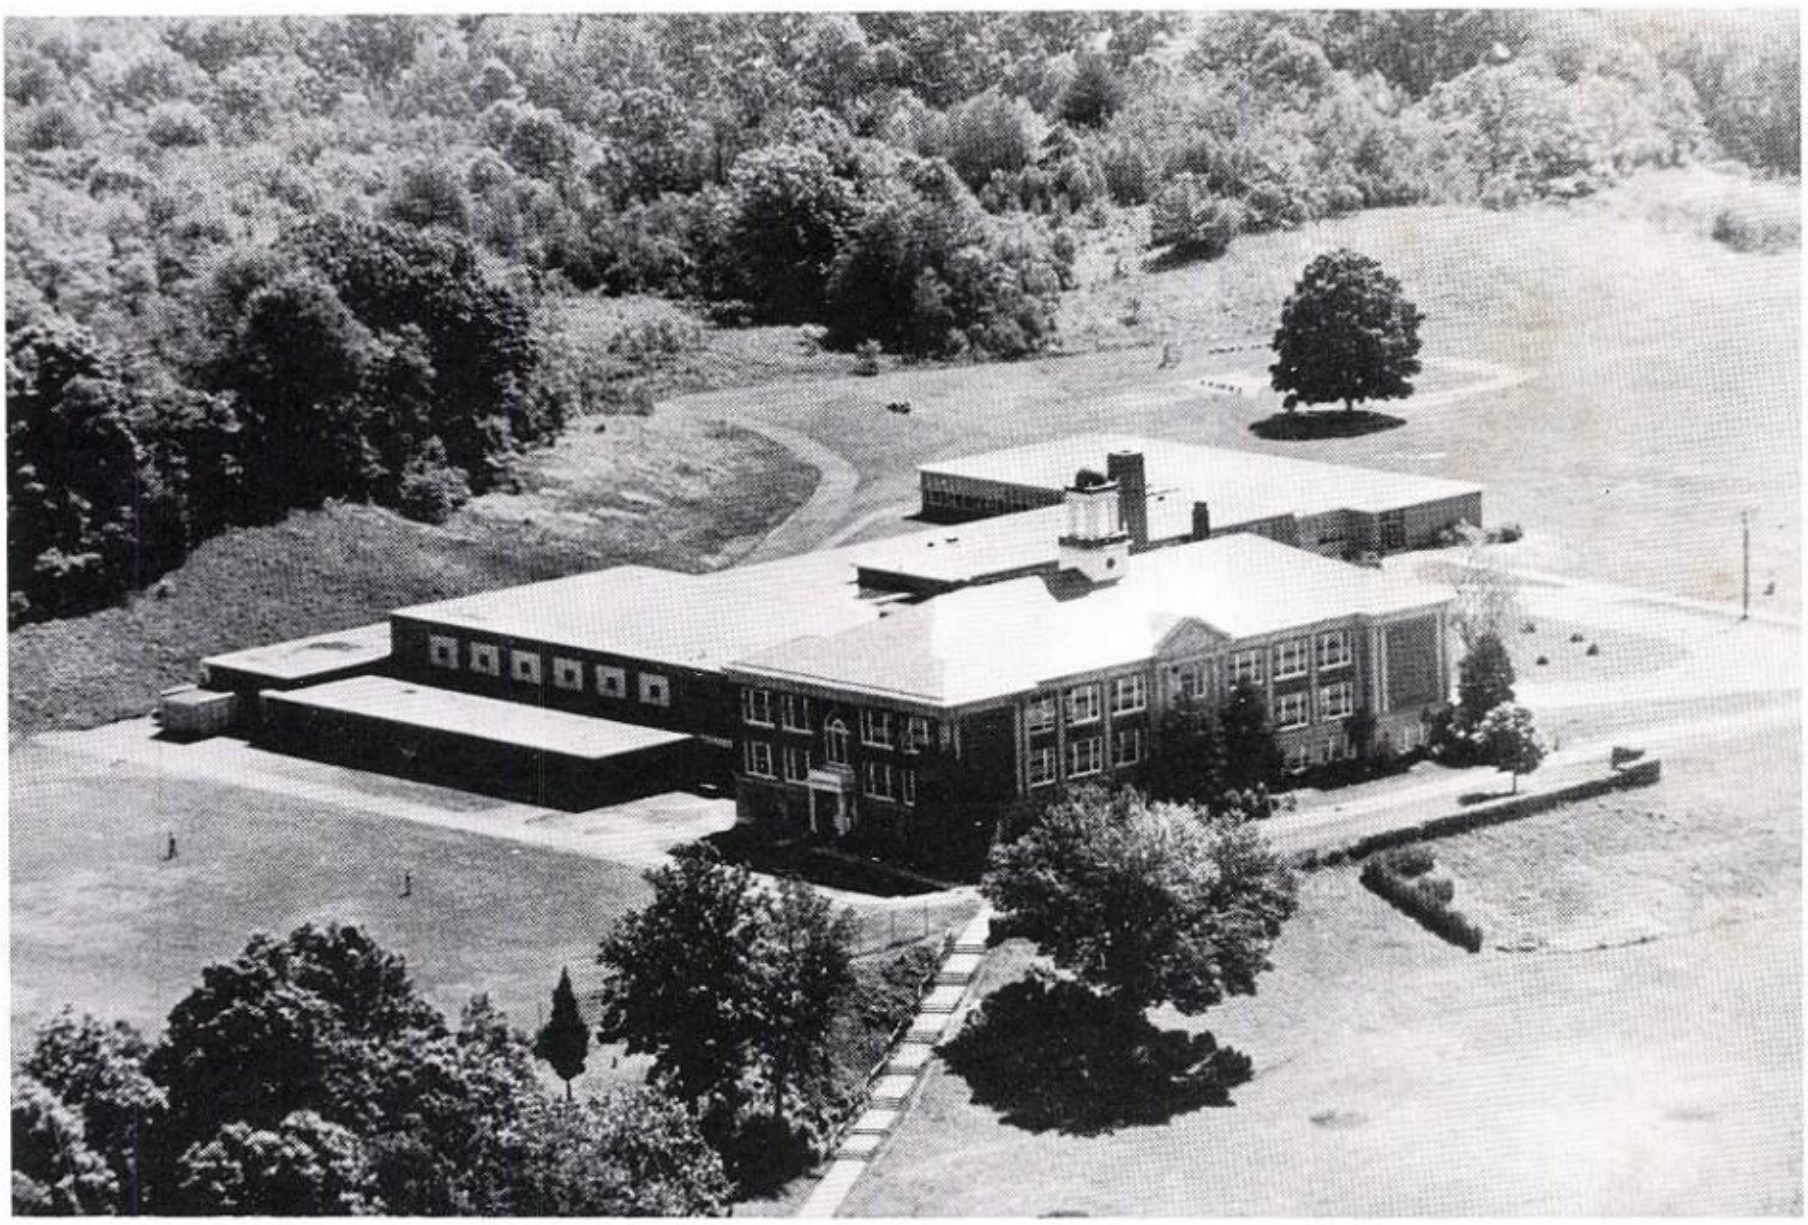
Chorus

For, Dear old Farmington High School
We'll be true to thee;
Maroon and Gray our colors
May they always float to the sky
So praise our great victories
And let us always say,
That as we ever will be loyal
We'll be to thee, Farmington High.

"And this our life exempt
from public haunt
Finds tongues in trees,
books in the running brooks,
Sermons in stones,
and good in everything."

Shakespeare

The Farmington Student



"For, Dear old Farmington High School
We'll be true to thee."

Yearbook of 1965

FARMINGTON HIGH SCHOOL

Farmington, Connecticut

We Dedicate . . .

. . . to MR. JOSEPH R. BURNS the 1965 edition of the *Farmington Student.*

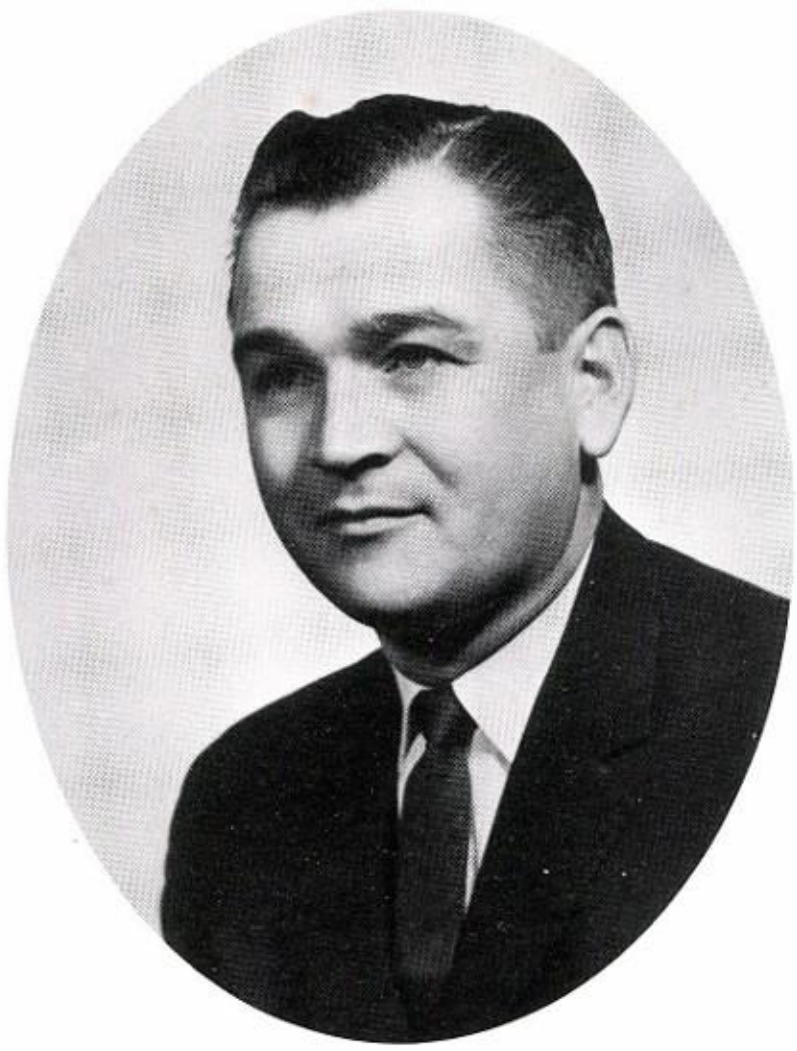
Nobody deserves this tribute more than Mr. Burns who, as advisor "par excellence" since 1934, sacrificed innumerable hours directing the past thirty staffs of the high school yearbook; nor did he neglect to lend a willing hand by way of helpful suggestions to our own staff.

The concern he showed as yearbook advisor was but a reflection of those qualities of a devoted educator which Mr. Burns continues to manifest ever increasingly in his classroom.

We Appreciate . . .

. . . MR. THOMAS CRANE for the endless hours he devoted to our class. His advice and suggestions saw us through many of our activities, and the success of all our ventures was due in no small measure to his desire to have the class of 1965 rated second to none.

. . . MRS. MARION ELLISON for the direction and assistance she has given us as our class advisor. We hope our class activities will be nothing but pleasant memories for her as she thinks back to all the good times we had.



. . . MR. WALTER McMULLEN, who spent so many hours with us while we tried to make what you are reading a reality. The seed of anxiety did finally bear fruit, although we are sure that at times Mr. McMullen must have wondered about the harvest. May this product of our endeavors ever be a pleasant reminder of his first year as advisor to the staff of the *Farmington Student*.

The Senior Executive Committee is composed of the four class officers and six homeroom representatives and their alternates. At committee meetings members discuss plans and make preliminary decisions for such functions as the play, the prom, and the picnic. Class advisors, Mrs. Ellison and Mr. Crane, also attend each meeting.

During the past few years the Farmington High School Student Council has become an important liaison between the Student Body and the Administration. Under the dedicated guidance of Mr. Frederick Burkhardt, the scope of the Council's endeavors has expanded to include matters of educational significance as well as extra-curricular activities. This year the council instituted honor study halls and continued the practice of sponsoring an annual Variety Show. In the years of growth ahead the council will be increasingly called upon to shape the student body policies of Farmington High School.

The National Honor Society, which has been an active organization at Farmington High School since 1945, is an embodiment of the high standards set by its founders and exhibited by its members. The qualities, which all members must possess, are character, scholarship, leadership, and service. This year the National Honor Society is under the capable guidance of Mrs. Marcia Miller, who has taken over the post left by Miss D. Evelyn Bower.

Library Club

OFFICERS

President ..... Linda Brodeur
Vice-President ..... Ann Vibert
Secretary-Treasurer .... Katherine Therriault

The library club is composed of students from the four years who wish to familiarize themselves with library organization and to instruct others in the use of the library. The main project of the club this year was a book sale for the benefit of the John F. Kennedy Memorial Library.

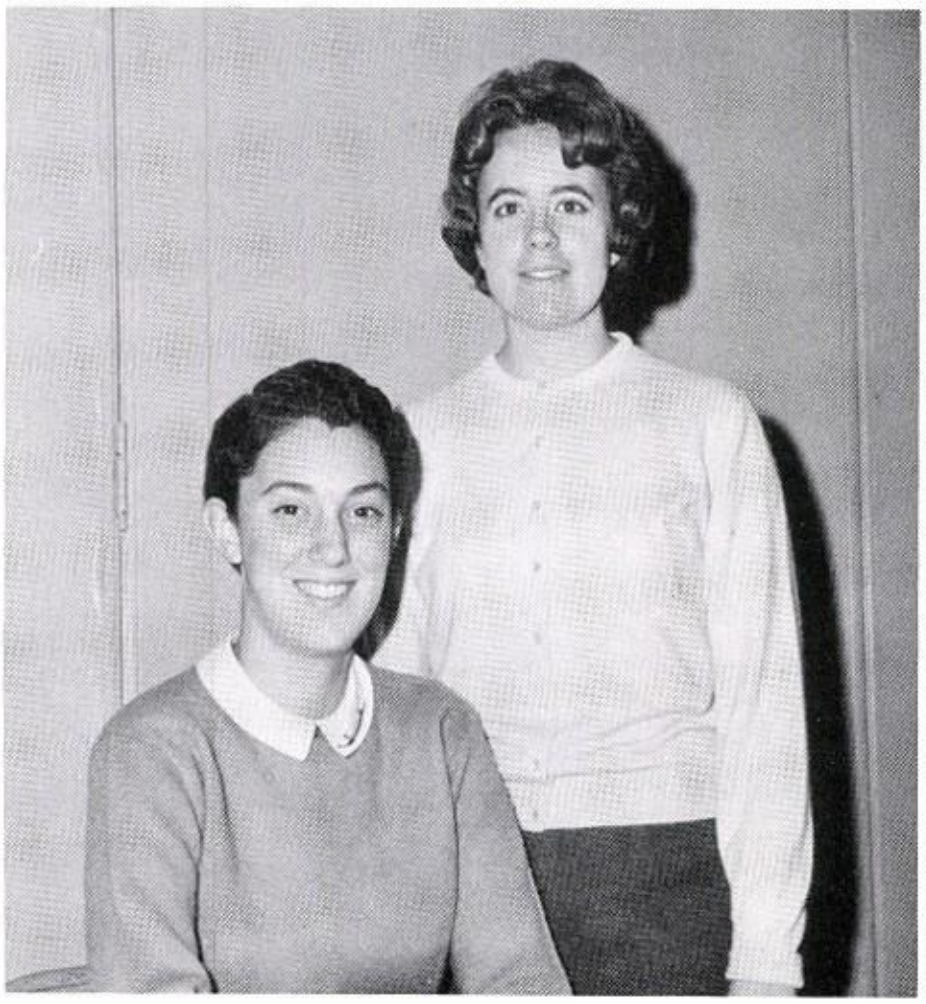
Miss Dolores Burkhardt, school librarian and club advisor, and her student assistants are looking forward to moving into the new library facilities which will be extended under a new concept of Learning Resources Center.

LIBRARY ASSISTANTS

Fairview Beacon

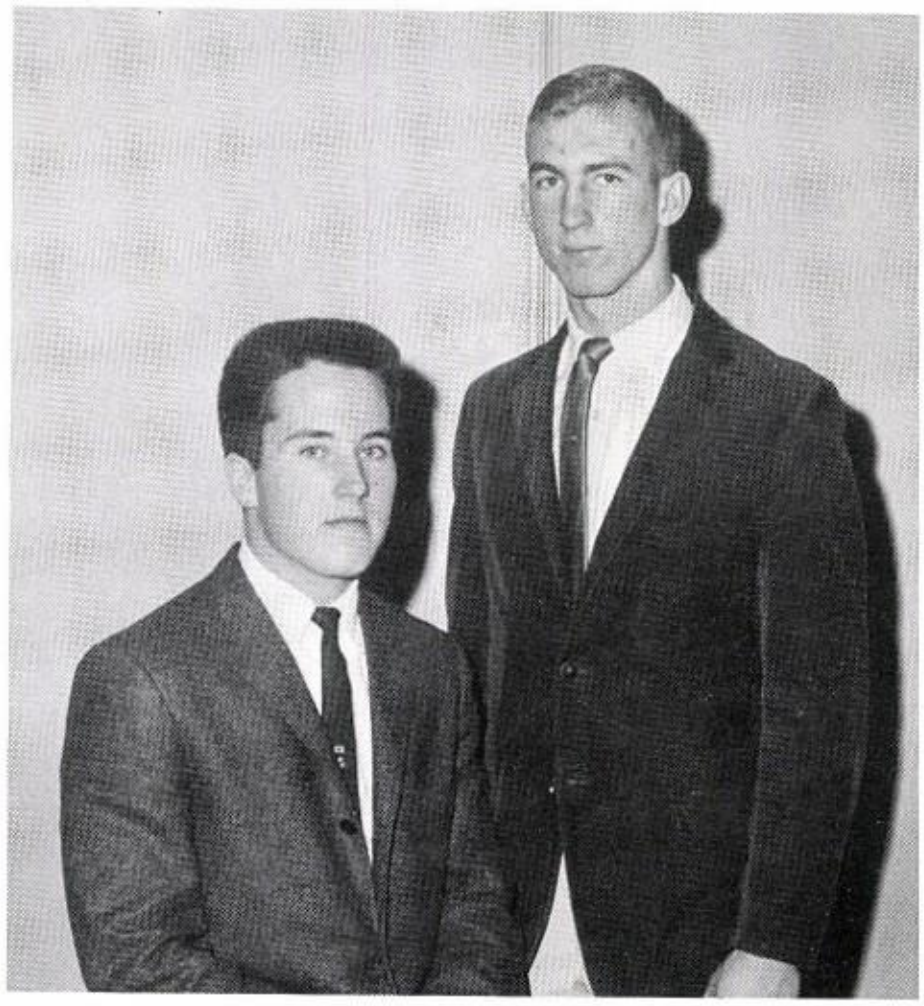
This year, as in the past, the "Fairview Beacon" displays its high quality as a student newspaper. The "Beacon" has given our students the opportunity to express their ideas in the form of fine poems, essays, stimulating editorials, and an annual Brotherhood Issue. For many years the paper has been a member of the Connecticut Scholastic Press Association. Mr. Edward Mullady is the capable advisor of the staff which includes many senior members. Katherine Therriault and Anne Vibert have certainly done much to increase the fine reputation of our school paper.

Laurel Girls' State



Chosen to represent Farmington High School at Laurel Girls' State were Margaret Croft and Ellen Lesiak. For a week, girls from all areas of Connecticut gathered at the University of Connecticut for the purpose of studying state government. During the week, the girls practiced bill drafting, held caucuses and acted as senators and representatives. They also enjoyed talks from several distinguished people including Governor John Dempsey and Secretary of State Ella Grasso. This program is annually sponsored by the American Legion Auxiliary.

Nutmeg Boys' State



Richard Woodworth and Leslie Twible were Farmington High School's representatives at Nutmeg Boys' State. Sponsored by the American Legion, Boys' State is an educational experience in state and local government, emphasizing active participation as a means of learning. As in years past, the program was held late in June on the University of Connecticut campus.

D.A.R. Award

Each year the faculty of Farmington High School selects a candidate for the D.A.R. award presented by the Daughters of American Revolution. The girl chosen must exhibit the qualities of dependability, service, leadership, and patriotism. This year, Miss Ellen Lesiak is the very deserving recipient of this award. Ellen well merits the recognition and honor that this award brings to her.

Laurel Music Camp

Representing F.H.S. in the Laurel Music Camp were Connie Royko, Dorothy Simonds, Jonathan Banker, Christine LaPointe and Elizabeth Markovich. This year, as in past years, the group met at Camp Workcoeman, West Hill. During their week's stay the students participated in musical and recreational activities. The final aim was a concert.

Also, Connie and Dorothy were the two seniors in a group of six F.H.S. students accepted as representatives to the Northwest Festival.

All Connecticut Concert

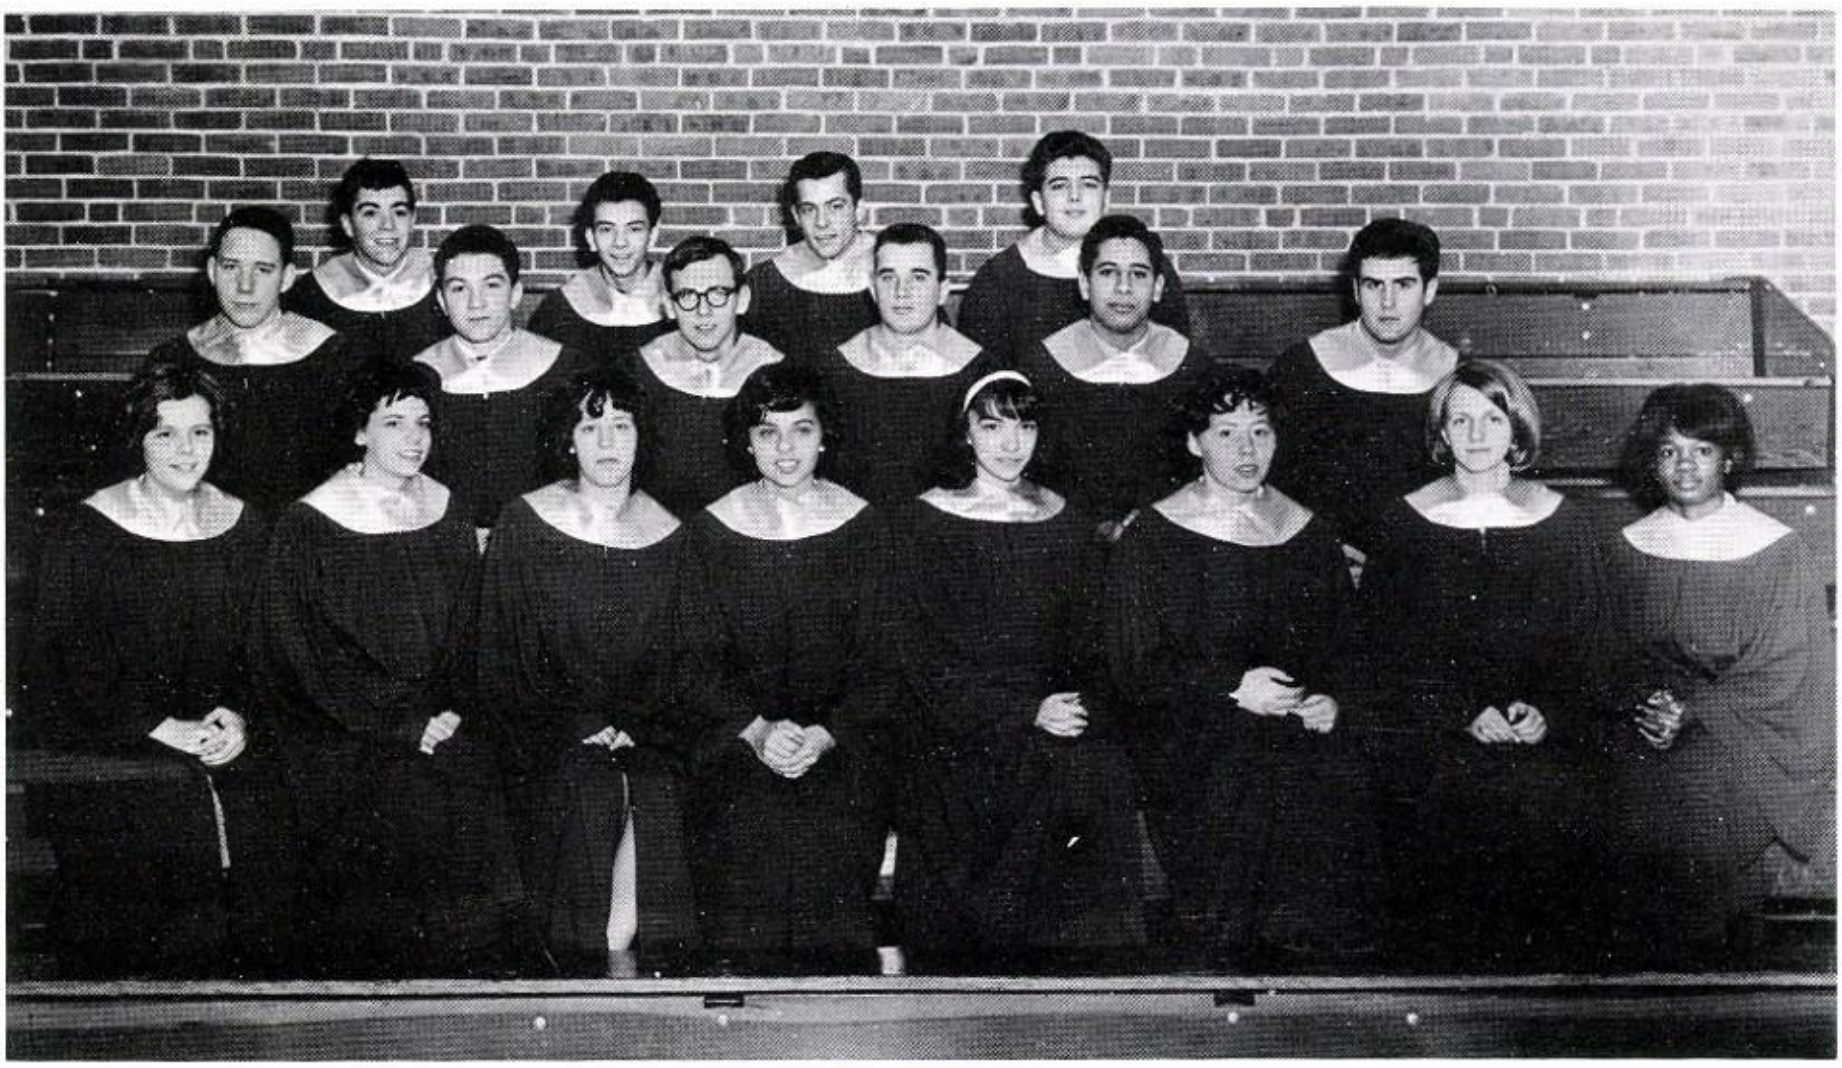
Each year a concert consisting of the outstanding voices from all over the state is held at the University of Connecticut. The elimination tryouts are held at Buckley High School in the spring in preparation for the fall concert. Connie and Jonathan were chosen from among many competitors. Connie enjoys the unique distinction of having attended this concert for the last two years.

The Band

This year's F.H.S. band, directed by Mr. Harold Alpert, is no doubt the best in recent years. An important contribution to the football rallies, the band quickly livens the spirit of the F.H.S. fans. This year's march in the annual Memorial Day Parade promises to be even bigger and better than last year. All in all, F.H.S. has much to be proud of in this year's band.

Senior Band Members

Senior Choral Club



Interesting programs are presented by the Choral Club and the Specialaires, under the direction of Miss Barbara Beach. Their voices beautiful echo the Christmas and Easter spirit and supplement many of our assemblies.

Hilltop Club

OFFICERS

President ..... Eileen Kruse
Vice-President ..... Georgia Lord
Treasurer ..... Marilyn Maloy
Secretary ..... Patricia Flynn

The Hilltop Club is a service club in school. Activities include organizing and conducting the Red Cross Drive in all the schools in town, visiting people in convalescent homes and making favors for them, and supporting two children under the Foster Parents' Plan. The most important activity during the year was the Christmas basket drive. Farmington High students contributed enough food for twenty needy families in town.

We are sure that the club will continue its fine job next year under the direction of Miss Sullivan, the club advisor.

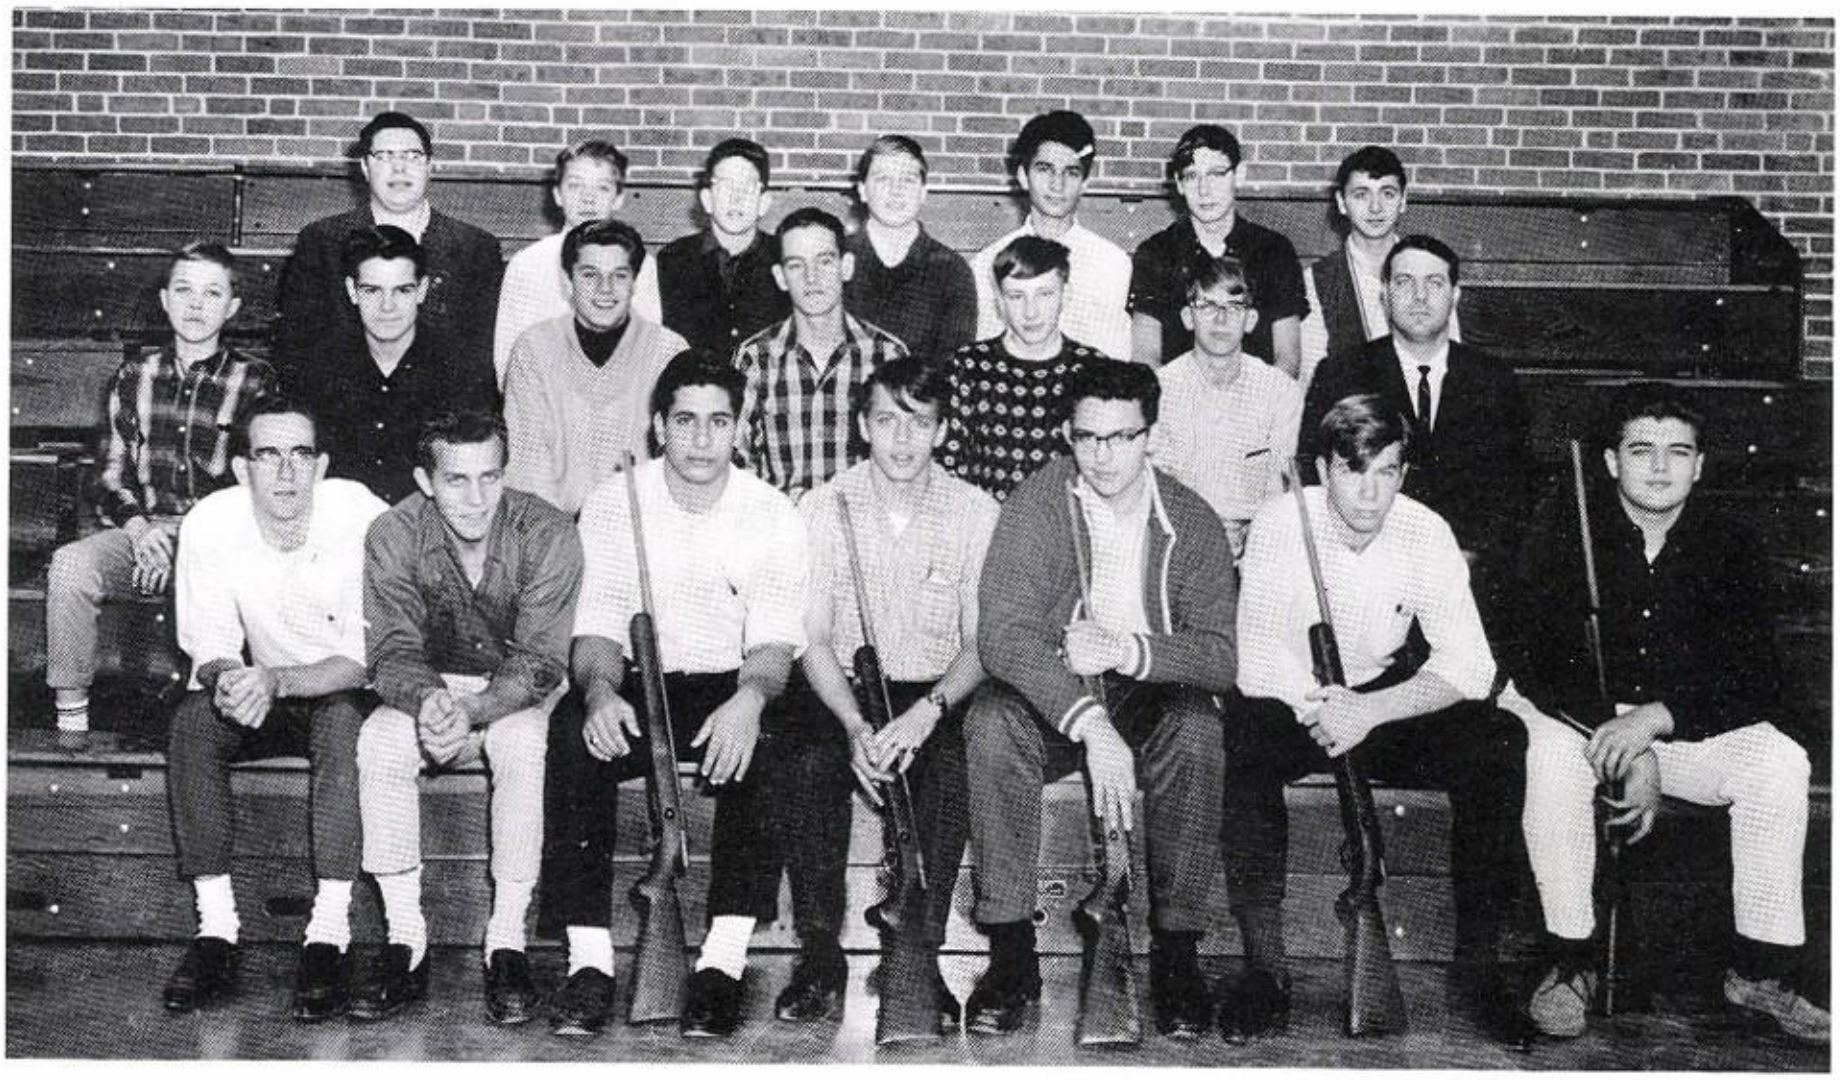
Make-Up Club

Under the supervision of Miss Helen Buckley, the make-up club is an essential part of the many school productions, including the plays as well as the annual variety show. In order to learn correct techniques the members often make-up one another during their meetings.

Chess Club

Unique with its intellectual recreation, the Chess Club offers a person a rare chance of planning his moves far in advance. Although there is a dearth of players, this lack is filled by quality of mind. After the first interscholastic matches of the club, Miss Buckley hopes that a greater number of students will support the club next year, when minds from other schools will tangle with those from F.H.S. Officers of the club are President, James Kalb; Secretary, Anne Chojnicki; Treasurer, Richard Dobratz.

Rifle Club



Again this year, Mr. Jasper Arnone has filled the chair of advisor for the Farmington High School Rifle Club. Besides the usual enjoyment that the members experience, they also learn to shoot both safely and accurately. Concentrating on target practice, the Rifle Team usually fires indoors at the Recreation Association Community Hall.

Golf Club

With seniors Nello Trevisan, Jim Peter, Richard Bobowski, James Roach, and Andy D'Appollonio, the Farmington High Golf Team hopes to have an impressive record again this year. Coach Arnone's goal is for the team to make the State championship. To qualify for the championship, the team must win 60% of their matches and have a team average of 85 or better. We're sure that they will give it their best.

Ski Club

The Ski Club, in its third year of existence, is one of the most popular clubs in the school. Under the advisorship of Mr. Thomas Crane, the Ski Club has in the past made several excursions to Vermont and New Hampshire. The senior members, some of whom originated the Club, worked diligently on their annual Turkey Shoot and Christmas tree sales to finance their trips. The Ski Club offers its members, ranging from novices to experts, an excellent opportunity to ski on the finest slopes in New England. The club's officers are: President, Nello Trevisan; Vice-President, Randy Warren; and Treasurer, Tad Powers.

Remember when . . . . .

A teepee was found on Avon High School.

The Class of '65 tried to have a Winter Carnival Dance.

The ski club had a three day trip to Mt. Snow.

F.H.S. beat Housatonic 1-0 in 10 innings, not to mention the win over Canton 33-0 in 5 innings.

Murph, Tim, Mane and Co. pitched apples.

The girls field hockey team chalked up a perfect win record.

Mr. McMullen walked to school.

Basketball

Following last year's championship team, the 1965 edition of Farmington High School's basketball team, led by captain Wayne Lenik, is presently tied for first place with just three games left to play. Despite the loss of the talented senior John Murphy, out because of a knee injury, the team has displayed great hustle and desire to win important games over Mills, Terryville, James Memorial, and Bloomfield. With the fine playing of Jim Sziksai, Greg Dabkowski, Jay Driscoll, Carl Ford, Jim Tilley, and James Roach, coach John Grocki expects to go a long way in the State Class B tournament. This year's team captured the Northwest title.

Behind our very capable captain, Ron Dufresne, Farmington ended the 1964 season with a 2-3-2 record. Although the record may not indicate it, Farmington lost two very close games, one to James Memorial by four points and the other to Avon by one point. Coaches Garro, Dillon, Thompson, and Pikiell were very proud of the way the boys always kept fighting to win.

Although the record does not indicate the ever present desire and fight of the team, Coach Leo Pinsky was very pleased with the way the young ballplayers were always in the game hustling and driving to win. Such outstanding stars as Ron Dufresne, Steve Kowalski, Wayne Lenik, John D'Atri, Tim Sheely, John Murphy, Jeff Lindstrom, Denny O'Neil, Greg Dabkowski and Bill Hatch will easily compensate for the loss of last year's seniors. This year's team has the stamina to lead F.H.S. to a conference championship.

The 1964 Cross Country Team wound up its season with a 5 and 4 record. Because of the loss of co-captain Andy Therriault, out with a foot injury, the team did not do as well as they had expected. Along with the five wins, F.H.S. defeated Plainville for the first time in five years. Contributing to this victory were seniors Carl Ford, Richard Hadden, and Bert Petersen.

Incidently, Carl Ford broke the 12:17 record held by Bill Shortell with a time of 11:54.

F.H.S. Indians and Princess

The Farmington Indians, in their first year without the traditional guidance of Mr. Saunders, but now under the direction of Mr. Pikiell, succeeded in instilling entertainment, laughter, and schoolfuls of spirit with their fascinating antics, ridiculous pranks and all-round tricks . . . fostered by the undying inspirations and incongruous endeavors by such "fellas" as Mike, Murph, Bill, Ziggy, Jeff, Nello, Randy, Timmy, Mane, Clark Kent, Till, and Greg who, even if they lacked the opportunity of using grandiose pep rallies for the benefit of promoting "exuberance," were always heard yelling and cheering at the games.

Carol Grise, our cute princess, has helped cheer our team on to victory. Drawing attention to the fact that we are Indians, she livened up the crowd at our rallies.

The Girls' Leader Corps

The purpose of the Girls' Leader Corps is to promote interest in athletics and develop leadership. One of the Corps' many service projects this year was the collection of toys for needy families. Other annual activities include a winter ski weekend in New Hampshire, swimming parties, and interscholastic playdays. The leadership of all the girls is exhibited by their able officers: Elaine Blanchard, president; Elizabeth Rossvall, vice-president; and Ellen Lesiak, secretary-treasurer. Miss Jean Hunt continues to contribute much time and effort in advising the Corps.

OFFICERS

Girls' Hockey Team

This year's field hockey team, led by co-captains Elaine Blanchard and Elizabeth Rossvall, achieved the singular distinction of an undefeated season much to the credit of the team's espirit de corps and the untiring efforts of Coach Jean Hunt.
